

SAFARI SUPPER

Saturday 10 June

7pm The Swan

Come along and enjoy a pleasant summer's evening full of fun, food and friends. (Meeting old and making new ones – it is a great opportunity to join in if you are new to the village).

For those not familiar with a Safari Supper and who cannot tell a lion from a leopard then fear not this bite is far less daunting.. this is basically a dinner party for all with a difference! You will dine your way around the village...

Please see the format below to give you a flavour of the event (more details to follow):

7pm Meet in The Swan for a pre-dinner drink

7.30pm Leave for starter course in your host's house. You will be given an envelope with details about where you are going when you arrive at The Swan.

8.40pm Leave your starter course host and go to a different venue for the main course. (Details in the envelope)

10pm Tear yourselves away from your main course hosts to meet up with all participants of the evening at The Swan where there will be a chance to all catch up and have a smidgen of brownies, tea and coffee. For those still wanting a drink the bar will be open till the clock strikes midnight!

The success of the event relies on lots of people offering to host a course (Starters or main). Hosts can choose how many people they want to cater for - its usually between 6 and 10 (including yourselves). Please note every person to take their own drink around the village with them!

Tickets (all proceeds going to the Thames Hospice)

Guest: £25 each guest

Host: £15 per host

Please could you let me know if you are willing to be a host for a starter or a main as soon as possible? The last time we organised one the feedback was one of enjoyment, everybody stated how friendly the hosts were, the people they went round with and met, the food. So don't miss out on this one.
